ICFAI University Meghalaya, Shillong campus

Date: 21st September 2026

Time: 10:00 AM

**Event: Induction Ceremony of IUMg Student
Council 2026–2027**

The ICFAI University Meghalaya Students Cell (IUMgSC) was established on 16th February 2012 as a student body dedicated to protecting and promoting the reputation, academic excellence, sanctity, and decorum of ICFAI University Meghalaya. It aims to address student concerns and counter unfounded negative publicity affecting the University.

The IUMgSC follows key practices such as monthly General Body Meetings, annual elections, seniority-based council positions, collection of a student fund for activities, and formal grievance redressal. The Council operates under the guidance of the Students Council Advisor and University authorities, with faculty members also serving as Advisors.

Overall, the IUMgSC serves as a representative platform for students, promoting student participation, welfare, discipline, and the positive image of the University.

The main objectives of the induction ceremony were:

- To formally introduce and declare the office bearers of the IUMG Student Council 2026–2027.**
- To officially entrust the responsibilities of the Student Council to the newly appointed office bearers.**
- To administer the oath to the office bearers and remind them of their responsibilities towards the student community.**
- To induct the Class Representatives (CRs) and recognize their role in representing their respective classes.**
- To encourage leadership, responsibility, teamwork, and active participation among students.**
- To strengthen communication and cooperation between the students, Student Council, and university administration.**

Proceedings of the Programme

The induction ceremony began with the gathering of the students and the newly appointed members of the IUMG Student Council.

During the programme, Sir Surajit, Registrar of ICFAI University, Shillong, formally declared the office bearers of the IUMG Student Council for the session 2026–2027 in the presence of the students.

Following the declaration, Ma'am Bawan, the Student Counsellor, formally handed over the Student Council batch to the newly appointed office bearers. This marked the formal entrustment of their responsibilities as representatives of the student community.

The newly appointed office bearers then took the oath of office, affirming their commitment to fulfilling their responsibilities with sincerity, dedication, discipline, and accountability.

After the oath-taking ceremony of the office bearers, the Class Representatives (CRs) also took their oath. Their induction formally recognized their role in representing their respective classes and maintaining communication between students and the Student Council.

The ceremony concluded after the oath-taking of the Class Representatives, marking the official induction of the IUMG Student Council and CRs for the session 2026–2027.

Importance of the Ceremony

The induction ceremony served as an important occasion for recognizing student leadership and responsibility within the university. The formal declaration and oath-taking provided the newly appointed office bearers and Class Representatives with a clear sense of their duties towards their fellow students.

The ceremony also emphasized the importance of cooperation between the Student Council, students, faculty members, and the university administration. Through their respective roles, the office bearers and CRs are expected to contribute positively to student life and work towards the interests and overall development of the student community.
