ICFAI founder commemorated with memorial lecture

By Our Reporter

TURA' In order to commemorate the founder of the ICFAI Group, Late N J Yasaswy (1950-2011), the ICFAI University, Tara Campus organized a special lecture under the theme 'NJ Yasaswy Memorial Lecture, 2018' at its main campus in Tara on Tuesday.

Former Pro Vice Chancellor of NIRD and ICFAI University, Dr Milton S Sangra who was the chief guest in the occasion spoke about the difficulties faced in establishing educational institutions in the hilly regions in the region.

During his address on 'Engineering and Expansion of Education in Garo Hills', Sangra highlighted the history and development of education in Garo Hills and how they came into being. Sangra also motivated the students to focus on the knowledge of their subjects as simply possessing the degree is not enough.
