

# **A Report on a Two-Day Exposure Trip to Siju, South West Garo Hills Meghalaya**

Date: 1-2 April, 2022

Dear Sir /Madam,

Please find the report placed below,

The Department of Travel and Tourism Management, ICFAI University Meghalaya Tura Campus organized a two-day exposure trip to Siju on 1-2 April 2022. The purpose of the trip is to explore and study the undiscovered tourist spots in South Garo Hills which has an immense potential to uplift tourism in the district and the entire state as a whole. As Siju is becoming a popular tourist spot in the state with its own natural scenic attractions and the adventure activities, it gained a lot of reputation by most of the local people and tourists from the rest of the country. It has recorded its highest flow of tourists during this peak season as well.

There were 7 students and 2 faculties from the department. In this trip, the students and faculties of the department of travel and tourism management were able to explore some of the amazing spots in and around Siju. These are Siju Cave, Goera Rongchang or Rock Formation, Rongdong Falls, Siju Beach and Rongsa Awe Falls. In addition to this, the most attraction is the local made tent at Siju Beach which is totally ecofriendly and is very impressed by the visitors.

As the trip is concerned, it was a great opportunity for the students as well the faculties to experience such kind of exposure trip that enable to help and relate the practical knowledge with the classroom learning, and also in the meantime to explore the immense potentialities of Siju and how it contributes to uplift tourism in the state in the near future.

Thanks, and regards

Mrs. Mercy D. Sangma,  
Mr. Bryan Boon R. Marak,  
Ms. Ellerie D. Areng  
Faculties, Department of Travel and Tourism Management
